

# Understanding Dementia

In Its Many and Varied Forms

WEDNESDAY, AUGUST 14  
3:30-4:30PM

Refreshments Served

—Presenter—

Our very own Executive Director,  
Tracie Roberts

While Alzheimer's is the most well-known, the world of dementia is far more varied.

Join us for a better understanding of Lewy Body, Vascular, Frontotemporal Degeneration among other types of memory impairment.
